

Section 3: A-133 Audits

1. Sponsors that meet the federal criteria requiring an A-133 audit must receive this audit annually.
 - a. The Sponsor arranges their A-133 audit.
 - b. The Sponsor's audit must comply with the procedures for audit approval, submission and reimbursement stated in 7 CFR 226.8, 7 CFR part 3052, and state agency policy MT CACFP 1996-19 Rev. 4 Audit Grant Reimbursement. Letters to management and/or annual reports included with the A-133 audit must accompany the audit submission to the state agency.
 - c. The Sponsor keeps financial records and copies of audits for a minimum of three federal fiscal years plus the current federal fiscal year. Financial and operational records include but not limited to: income and expenses, fixed assets, equipment and depreciation, personnel, professional services contracts, inventory, and records of all directors and board members. These records must be available for review, retained in accordance with 7 CFR 226.15(e), and be provided upon request to the state agency or other state or federal authorities.
2. Sponsors that do not meet the federal criteria requiring an A-133 audit may receive an Agreed-Upon Procedures (AUP) audit by the state agency.
